E-STAR Series

CONTRACTOR GRADE STEEL LED EXIT

PRODUCT DESCRIPTION

E-Star Series Steel LED Exit Signs offer long lamp life, energy efficiency and uniform illumination in a sleek yet rugged design. Possessing premium installation features such as a simple screw-on canopy, along with knockout chevron directional indica tors, the E-Star Series is ideal for applications that require the durability of metal construction in an economical package. All E-Star Series signs include a second faceplate and canopy for universal installation.

PRODUCT SPECIFICATIONS

CONSTRUCTION

Rugged, heavy duty 20-gauge die-formed steel construction • Universal mounting pattern knockouts in backplate for back mounting • Second faceplate included for double face applications • 6" letters with 3/4" stroke width • Chevron directional indicator knockouts • Red or green letters • Corrosion-resistant polyester powder coat paint • White or black finish.
