PRODUCT DESCRIPTION

Here is an excellent way to protect your emergency lights against both vandalism and accidental damage. These wire guards were created in response to multiple requests from Mule customers. They are easy to install with all screws and anchors provided.

BACKED BY A THREE YEAR GUARANTEE

Constructed of tough steel wire that is coated with corrosion resistant polyester. It is not surprising Mule backs them with a three year guarantee against breakage in normal use. These wire guards are highly recommended for areas where abuse is severe or it is imperative that emergency lights continue to operate.
