

AMER-AEX
BABA COMPLIANT DIE-CAST ALUMINUM EXIT SIGN

PROJECT: _____
 FIXTURE TYPE: _____
 LOCATION: _____
 CONTACT/PHONE: _____

PRODUCT DESCRIPTION

The AMER-AEX Series die-cast aluminum LED exit sign is manufactured in the United States and meets BABA (Build America Buy America) requirements.

The AMER-AEX Series is popular for indoor applications and is favored by architects and designers. It is designed for surface mount applications and can be mounted from the top, side, or back.

FEATURES

- Brushed finish
- Battery backup
- BABA compliant
- UL 924 Listed
- 5-year warranty

ELECTRICAL

120/277VAC Input.

CODE COMPLIANCE

ETL Listed to UL924 for the United States, NFPA, Life Safety 101, BABA.

EXTERNAL SPECIFICATIONS

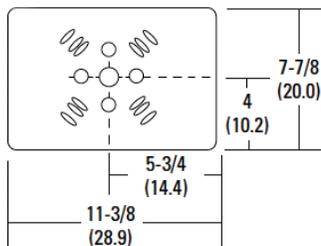

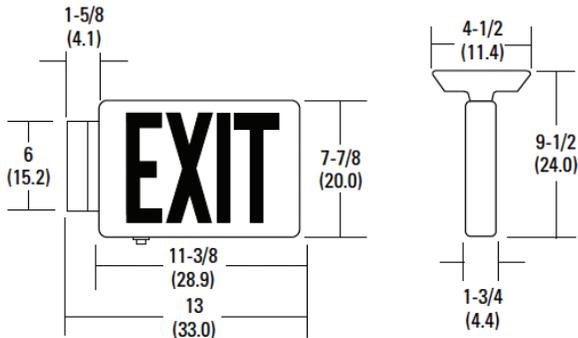

The housing is constructed from die-cast aluminum and features a brushed aluminum or white finish. The sign comes single or double-sided with red or green letters and in-field configurable arrows.

WARRANTY

The AMER-AEX Series comes with a 5-year factory warranty. The lamps are not covered. Deliberate damage, misuse, or improper installation effectively cancel the warranty. Battery features a 20% per year pro-rata warranty.

DIMENSIONS
