DIMENSIONS

PRODUCT DESCRIPTION

The AMER-N4RH Series NEMA 4X remote lamp heads are manufactured in the United States and meets BABA (Build America Buy America) requirements.

The AMER-N4RH Series remote lamp heads are designed for harsh and extreme environments, including outdoors and wet locations. Choose from 3-watt LED lamp heads that produce 320 lumens each, 5-watt lamp heads that produce 550 lumens each and 11-watt lamp heads that produce 1100 lumens each.

FEATURES

- NEMA 4X rated
- Single or double-lamp
- BABA compliant
- UL 924 Listed
- 5-year warranty

ELECTRICAL

3W LED Lamp Input: 5VDC-20VDC
5W LED Lamp Input: 7VDC-30VDC
11W LED Lamp Input: 7VDC-30VDC

CODE COMPLIANCE

UL Listed to UL924 for the United States, UL Wet Location Listed, NFPA, Life Safety 101, BABA.

EXTERNAL SPECIFICATIONS

The AMER-N4RH Series remote lamp heads are NEMA 4X rated and designed for use in wet locations. The base is constructed from die-cast aluminum and the LED lamps are protected by a clear polycarbonate cover.

WARRANTY

The AMER-N4RH Series comes with a 5-year factory warranty. The lamps are not covered. Deliberate damage, misuse, or improper installation effectively cancel the warranty.
