DIMENSIONS

PRODUCT DESCRIPTION

The AMER-TPEC Series thermoplastic LED exit sign combo is manufactured in the United States and meets BABA (Build America Buy America) requirements.

The AMER-TPEC Series is popular for indoor applications and is favored by architects and designers. It is designed for surface mount applications and can be top and back mounted.

FEATURES

- Brushed finish
- Red letters
- Powerful Lamps
- BABA compliant
- UL 924 Listed
- 5-year warranty

LED LAMP SPECIFICATIONS

Choice of 6V 4W, 220-lumen, or 12V 6W, 540-lumen LED MR16 lamps.

ELECTRICAL

120/277VAC Input.

CODE COMPLIANCE

UL 924 for the United States, Damp Location, NFPA, Life Safety 101, BABA.

EXTERNAL SPECIFICATIONS

The housing is constructed from thermoplastic and comes with a white finish and red letters. Two faceplates and one backplate are included for use in both single and double-sided applications.

WARRANTY

The AMER-TPEC Series comes with a 5-year factory warranty. The lamps are not covered. Deliberate damage, misuse, or improper installation effectively cancel the warranty. Battery features a 20% per year pro-rata warranty.
