DIMENSIONS

PRODUCT DESCRIPTION

The AMER-TPEX Series thermoplastic LED exit sign is manufactured in the United States and meets BABA (Build America Buy America) requirements.

The AMER-TPEX Series is popular for indoor applications and is favored by architects and designers. It is designed for surface mount applications and can be mounted from the top, side, or back.

FEATURES

- White finish
- Red letters
- Ni-Cad battery backup
- BABA compliant
- UL 924 Listed
- 5-year warranty

ELECTRICAL

120/277VAC Input.

CODE COMPLIANCE

UL 924 Listed for the United States, Damp Location, NFPA, Life Safety 101, BABA.

EXTERNAL SPECIFICATIONS

The housing is constructed from thermoplastic and comes with a white finish and red letters. Two faceplates and one backplate are included for use in both single and double-sided applications.

WARRANTY

The AMER-TPEX Series comes with a 5-year factory warranty. Deliberate damage, misuse, or improper installation effectively cancel the warranty. Battery features a 20% per year pro-rata warranty.
