DIMENSIONS

PRODUCT DESCRIPTION

The AMER-N4EL2 Series NEMA 4X emergency light is manufactured in the United States and meets BABA (Build America Buy America) requirements.

The AMER-N4EL2 Series is designed for harsh and extreme environments, including outdoors and wet locations. Powerful 6-watt LED lamp heads produce 540 lumens each. Included audible self-diagnostics constantly monitor unit functionality.

FEATURES

- NEMA 4X rated
- Nickel-cadmium battery
- Self-diagnostics
- BABA compliant
- UL 924 Listed
- 5-year warranty

ELECTRICAL

120/277VAC Input.

CODE COMPLIANCE

UL Listed to UL924 for the United States, UL Wet Location Listed, NFPA, Life Safety 101, NSF, BABA.

EXTERNAL SPECIFICATIONS

The AMER-N4EL2 Series is designed for use in wet locations and features a NEMA 4X rating. The black housing is constructed from die-cast aluminum and features a clear polycarbonate cover over the LED lamp heads.

WARRANTY

The AMER-N4EL2 Series comes with a 5-year factory warranty. The lamps are not covered. Deliberate damage, misuse, or improper installation effectively cancel the warranty. Battery features a 20% per year pro-rata warranty.
