DIMENSIONS

PRODUCT DESCRIPTION

The AMER-N4RH2 Series NEMA 4X remote lamp head is manufactured in the United States and meets BABA (Build America Buy America) requirements.

The AMER-N4RH2 Series remote lamp head is designed for harsh and extreme environments, including outdoors and wet locations. It comes with (2) 6-watt LED lamp heads that produce 540 lumens each.

FEATURES

- NEMA 4X rated
- Double-lamp
- BABA compliant
- UL 924 Listed
- 5-year warranty

ELECTRICAL SPECIFICATIONS

12VDC Input

CODE COMPLIANCE

UL Listed to UL924 for the United States, UL Wet Location Listed, NFPA, Life Safety 101, BABA.

EXTERNAL SPECIFICATIONS

The AMER-N4RH2 Series remote lamp head is NEMA 4X rated and designed for use in wet locations. The white back plate is constructed from die-cast aluminum and the LED lamps are protected by a clear polycarbonate cover.

WARRANTY

The AMER-N4RH2 Series comes with a 5-year factory warranty. The lamps are not covered. Deliberate damage, misuse, or improper installation effectively cancel the warranty.
